

President's Message

I Can.
You Can.
We Can.

Thank you for a wonderful year and biennium. We have had a struggle during 2020-2022, but Theta chapter members persevered. Now we face a new biennium, so let's set our goal toward growth. Think of someone new you can invite in August. Let's don't let our flame diminish. Working together we can continue to support and represent women educators in West Tennessee. See you at planning day!

March Teachers of the Month

West Chester Elementary	East Chester Elementary School	Jacks Creek Elementary School	Chester County Middle School	Chester County Jr. High School	Chester County High School
					
Kindergarten	Third Grade	Special Education	Fourth Grade	Eighth Grade ELA	English 3 and Literacy Coach
Amanda may teach the smallest of our students at West Chester, but she has the absolute biggest heart. She is always smiling, is a team player, and is a huge asset to our West Chester family. -- Principal Amy Woolley	Mrs. Dee teaches third grade math at East Chester. She lifts the spirits of everyone who is fortunate enough to be around her. She builds lifelong relationships with her students and coworkers. We're very lucky to have Mrs. Dee at East Chester. -- Principal Kim Scott	Mrs. Regina Karnes has been serving students for a total of forty-one years. She has been teaching in Chester County for about twenty-five years. She continues to dedicate herself to the field of education by identifying students' needs and supporting them in their journey to reach their goals. -- Principal Tangle Sweetman	Lisa is who educators aspire to be. She is consistently excellent and her students and their families would all agree. Beyond that, she is respected by her peers in a way that very few are. This is all the result of extremely hard work, attention to self-improvement, and faithfulness to the Lord. She is an advanced great person and CCMS has been blessed by her presence. -- Principal T.J. Kirk	Lisa Whaley is the teacher that can reach all students. She builds relationships while she teaches them what they need to know academically. She listens to students and then remembers to check in on them. Lisa shows compassion, empathy each and every moment of the day! -- Principal Belinda Anderson	Mrs. Skaggs does a great job in English in preparing the juniors for ACT. She is also instrumental in our literacy focus at CCMS. She leads professional development with our teachers and helps provide ideas to implementing literacy across all subjects. -- Principal Clay Murte

Regina Karnes, Theta's sister, was honor as Teacher of the Month in March. She teaches at Jacks Creek.

Legislative Update

Members of the 112th General Assembly on Thursday fulfilled their constitutional duty with passage of a \$52.8 billion budget for 2022-23 fiscal year. The zero-debt budget is a spending plan that addresses the needs of all Tennesseans. The budget recognizes more than \$8 billion in federal COVID-19 relief funds. It also makes a significant deposit in the state's Rainy-Day Fund, which serves as the state's savings account to help withstand economic downturns, bringing the fund to a historic balance of \$1.8 billion

This structurally sound budget includes historic tax cuts totaling about \$300 million. It includes an \$80 million month-long sales tax holiday on food in August, as well as the traditional sales tax holiday on clothing and school supplies before the start of school. The budget removes the state's tax portion of license plate registration fees for one year, a \$121 million tax break for every Tennessean who drives a passenger vehicle or motorcycle.
