Theta Keynotes

President Message

Our TNSO President Dr. Elaine Vaughn has a theme called "From the Heart" during her leadership biennium. I've been thinking about this. If we lead and participate in DKG from the heart, we are "all in." Theta chapter will experience growth and service to the community like never before. Please join me in inviting current and retired educators to be a part in sharing Theta and DKG from your heart. You never know what you are giving to someone when you invite them--a purpose, a group of friends, a way to give and serve, a part of something, time with others, and so much more. Sharing DKG is more important when we share it "from the heart."

Much Love,

Beth Naylor, President

How to Help Other Educators

Kappa Chapter of TNSO is collecting funds to support the educators in the Waverly area after the flood damage. These educators will need to replace many of their teaching items and supplies. If you would like to donate here is the information.

You can mail a check to Angie Justice at 2465 Pilot Knob Rd Eva TN 38333 or her Venmo link is below. Either way they will deposit it into their chapter account.
